APPENDIX XV (Regulations 246, 253, and 1116.) Special Reports of Crimes.

- 1. The officer who receives the first information of any serious offence or accident shall send intimation by the means shown in column 3 of the schedule.-
- (a) to the Range Deputy Inspector-General, the District Magistrate and the officers shown in columns 4 to 6,
- (b) to the Superintendent, the Subdivisional Police Officer (if any) and the Circle Inspector,
- (c) to the officer-in-charge of the bordering police-stations and to the Circle Inspector concerned if the place of occurrence borders on another circle in B.P. Form No. 27A.
- 2. Such intimation shall include a list of all the officers to whom it has been sent.
- 3. Subject to the remarks in column 7 of the schedule, the Superintendent shall send special reports in all cases to the officers mentioned incolumns 4 to 6 to the Range Deputy Inspector-General and the District Magistrate, in accordance with the provisions of Regulation 1116 and the footnotes appended to the schedule.

Note: (1) All reports of S.R. cases must be sent to District Magistrate and Range Deputy Inspector-General of Police.

(2) Where there is a Police Wireless Station the first intimation should be sent by radiogram in cases where reports are due to sent by telegram.

S.Rs.)

- (3) Border Special Reports should be given a separate serial number and entered in a separate Special Report Register, e,g., Border S.R. No ... of 1951.
- (4) In any case relating to a serious explosion a report shall be sent by the Superintendent to the Chief Inspector of Explosives by telegram stating whether his services are required in connection with the investigation or enquiry. Officers charge of police-stations, therefore, shall see that

pending the Superintendent's orders, all wreckage and debris shall remain untouched. If it is decided that the Chief Inspector of Explosives shall hold an investigation, everything shall be left be left as it is until his arrival.

(5) One special report need be submitted in respect of several cases if they are the result of the same cause and form the same chain of incidents in the same police-station although a separate case has to be started for each such incident. A joint progress report may also be submitted incorporating result of investigation in all the cases together.

Note.A (i) .- (1) Express letters and telegrams in dacoity cases shall contain as many facts as are available from the First Information Report and these facts shall be arranged in the following serial order:-(A)District. (B)Policestation. (C) Place of crime, with union and J.L. Nos, (D) Distance and direction of (c) from .(B) (E) Date and hour of crime. (F) case No. and date. (G) type of dacoity. (H) Number of dacits. (J) Nature and value of property stolen. (K) Particulars of the dacoits, i.e., (i) community and social status, (ii) dress worn, (iii) speech (language used), (iv) weapons carried or used, (v) illuminants carried, and (vi) any other particulars available. (L) Method of commission, (i.e., (i) of approach, if otherwise than on foot; type of boat or vehicle used to be stated, (ii) of entrance to the house or other structure or of attack upon the victims, (ii) expressions or war cry used, (iv) degree of violence used, (v) Method of obtaining booty(digging floor, breaking safe, trunks or other receptacles, etc.) (vi) any peculiarity in method, (vii) route, route or direction of the dacoits' departure, and (viii) any other relevant detail. (M) Recognition or arrest of any of the dacoits (full particulars of each man to be given, if known).

N.B.- Under L(iii) the expressions or war cries used must in no circumstances whatsoever be translated and they must be given in the exact words used, so far as they can be ascertained. If the language used is other than English or Bengali, the expressions or war cries must be transliterated into either of those language. When the case is to be reported by telegram, all expressions and war cries not in English must be transliterated into that language in the telegram. 2. The —type of dacoity shall be represented by the appropriate symbol from the following schedule:-

- following schedule:-(A) Dacoities committed on boats-(i) when the dacoits also come by boat ...BB. (ii) when the dacoits come from land BL. (B) Dacoits committed in houses and other structure-(i) in any structure used either temporarily or permanently as a dwelling house, irrespective of any other purposes for which it may be used. HD. (ii)in any structure used as a factory or workshop HF. (iii) in any structure used as a storage godown (iv) in any structure used HG. as an office ... (v) in any structure used as a shop HS. (vi) in any structure used as a place of worship-(a) of the Christian religion (b) of the Hindu religion HH(c) of the Muslim religion (d) of any other religion HM
- N. B.- If any structure is used partly for any of the purposes mentioned under heading (ii) to (vi) inclusive and partly as a dwelling house, the type of dacoity shall be classified with the symbol HD. (C) Dacoity committed on any mail- carrying service-
- (i) on any land line (runner or vehicle)

MR.

HW.

- N.B- This classification shall be used, whether or not it appears that the main object was to rob the mails.
- (D) Dacoities committed on land throughfares of any type (roads, tracks, on footpaths to which the public have access)-
- (i) Dacoities committed on pedestrians RP.
- (ii) Dacoities committed on vehicles of any type (biclcles, carts, motor-cars, etc.) RV. E) Dacoities committed on a transport system (railway or steamer service)-
- (i) at a station (booking office, goods shed, etc.)

TS:

(ii) on a train or steamer (running or stationary)

rt -

N.B.- Dacoities in staff quarters, gumtis, etc used for habitation will be classified under B.D.

- (F) Cases of assembly, preparation and attempt-
- (i) assembly or preparation to commit dacoity

PD.

(ii) attempted dacoity

AD.

- 3. In compiling an express letter or telegram the headings given in paragraph 1 shall NOT be repeated. If the known facts are stated in their correct order no reference to heading omitted should ordinarily be necessary, as it will be understood that facts under these headings are not yet available. If however, for the sake of clarity and the avoidance of confusion it is desirable to refer to a heading, the initial letter only shall be given for instance J unknown||. Every express letter shall be signed by the sender in BLOCK CAPITALS with his rank and if sent from a police-station other than that in which the dacoity occurred, the name of the police-station of dispatch. Every telegram shall conclude with the name and rank of the sender. The following examples from actual cases will show how the express letters and telegrams shall be written:-
- (A) BANKURA MEJHIA GOPALPUR 11-8 two miles north-west 4-12-42, 00.01 HOURS, Case No. 2 of 4-12-42 HO 8, cash, clothes, gold studs, rice, brass plate and lantern Rs. 188-2-6 middle and low class men, malkochas, chadrs, shirts, black shoes broken Hindi and Bengali, lathis, two electric torches, door pushed open, —Rupaiya kaha hai? —Malik kaun hai slapped one man, borke open almirahs, suitcase with iren rod M nil.

K.L.MANDAL Sub-Inspector.
